Vice Chancellor's Message

We are extremely proud and privileged to have you graduate from Sikkim Manipal University (SMU). You have earned a distinction which will stand you in good stead as the years roll along - the unique distinction of an SMU education! Our hope is that you now possess the competence and confidence to face life's challenges. More than the knowledge and skills you have acquired, we hope you have also imbibed the right attitude to make you a caring, considerate and compassionate professional. Always remember the SMU values of integrity, transparency, excellence, teamwork, execution with passion and above all the humane touch. Be positive, be proactive and be passionate in whatever you do.

You would have gone through many memorable days as well as some hardships during your voyage as a young student eager to learn and experience new things. You are now ready to leave the portals of SMU as a capable, well-trained, sophisticated professional ready to serve the community. Your parents, friends, family and teachers are proud of your accomplishments. We fondly hope that your contribution will make a meaningful difference in the lives of those whom you choose to serve.

Education and knowledge are never static. You should continue to learn from your daily experiences through an active learning process. SMU would like you to be a part of our family, our alumni network. Do keep us informed about your whereabouts, successes and achievements. Go out into the free, wide open world and play the game of life with gumption and gusto. We look forward to hearing from you and about you as you make a name for yourself and SMU.

Very best wishes,

Dr. G.K. Prabhu
